Dear Colleague,

On behalf of the University of Kentucky Military Veterans of America (UKMVA) and the newly established Veterans Resource Center you are cordially invited to attend a special VIP screening of the award winning documentary, "The Way We Get By". This deeply moving film about life and how to live it focuses on a small group of troop greeters in Maine and their dedication to welcoming our heroes home.

The documentary will be showing each day November 9 thru 13 on campus as part of our recognition of Veterans Awareness Week. However, this special.VIP screening is by invitation only and will be held at Memorial Hall on Thursday Nov 12th. At 6pm.

Our goal is to bring veterans and educators together for an enlightening evening of fellowship and entertainment. The University of Kentucky has done a tremendous job in recognizing the needs of our student veteran population. Their endorsement of this important event is just another example of that support.

Refreshments will be available after the screening. Parking will be available beginning at 5pm in parking structure #2 on Rose Ave (see map). Come join us for a great film and a great cause!

Date: November 12th, 2009
